Introduction

[Roomba TV](#) is the world's largest and most reliable IPTV/OTT streaming platform, delivering over 5000 TB in streaming content per month to thousands of customers around the globe.

A simple user interface and an extensive collection of HD channels offer us the most satisfactory IPTV service in the USA, Canada, Latin America, and the UK. We broadcast thousands of live channels to stream premium HD content. Our existing customers praise the quality of the content we deliver through our IPTV service.

Our main goal is to deliver entertaining content on all the popular platforms and devices that people use nowadays. You can access Roomba TV on Apple devices, Android devices, smart TVs, phones, tabs, and on PCs. You just need decent internet connectivity to stream the desired content.

Opt for our free trial now to assess our services. We are also offering 7-day money-back guarantee to ensure you are satisfied with our services. So, give it a try if you are tired of dealing with cable TV and DTH services or bad IPTV Providers.

Roomba TV lets you watch TV anywhere. We all know how annoying it could be when you want to download an app, software, or program and you can't seem to find it on your apple AppStore. Hence, we made this guide to assist you in downloading and navigating through Roomba TV for iPad with ease.

Downloading

This guide will walk you through the process of effortlessly downloading and using the Roomba TV App on your iPad. Please read it carefully and thoroughly as it contains important information for ensuring you have a great Roomba TV experience.

Here are quick and easy steps to DOWNLOAD AND INSTALL Roomba TV on your Apple iPad.

STEP 1: Install IPTV- Smarters Player App

Search for and install the IPTV Smarters Player App (aka IPTV Smarters Pro) from the Appstore.

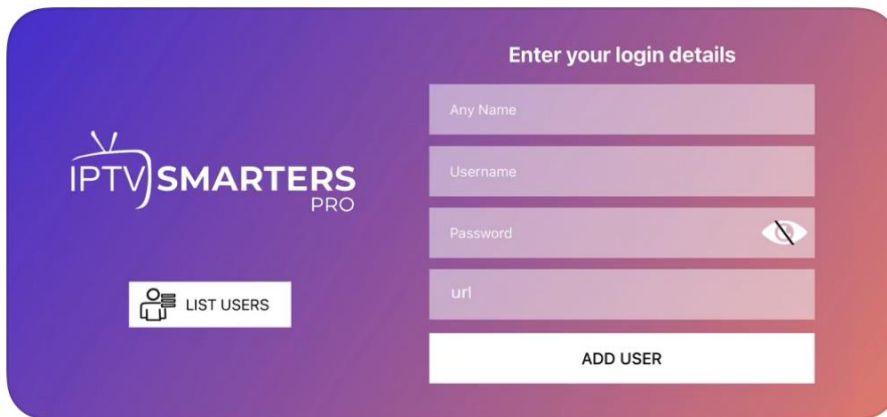

IPTV-Smarters Player

The Best IPTV Player

★★★★★ 62K

OPEN

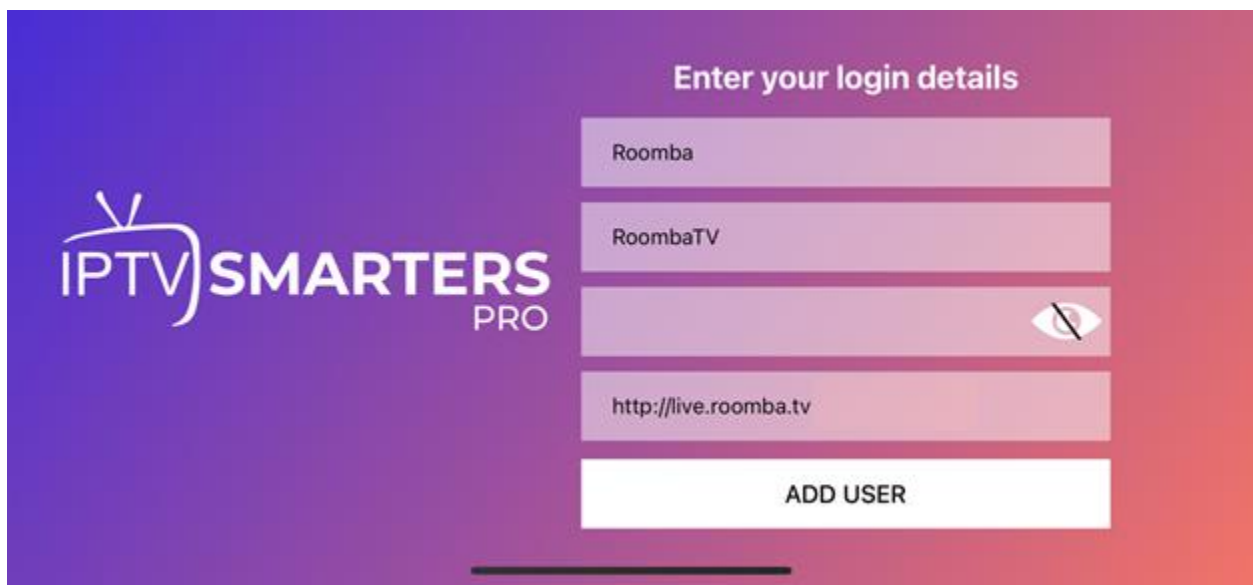

STEP 2: ENTER LOG IN DETAILS

Now that the app is installed and ready to use, go ahead and launch the app. After launching the app, you will be asked to enter your login details.

Log in details would include

- Your name
- Username
- Password
- URL: Portal URL is <http://live.roomba.tv>

A screenshot of the 'Enter your login details' screen from the IPTV SMARTERS PRO app. The screen has a purple-to-pink gradient background. On the left, the app's logo 'IPTV SMARTERS PRO' is displayed. On the right, there is a white form with four input fields: 'Roomba', 'RoombaTV', a password field with an eye icon, and 'http://live.roomba.tv'. Below the fields is a white button labeled 'ADD USER'.

Enter your login details

Roomba

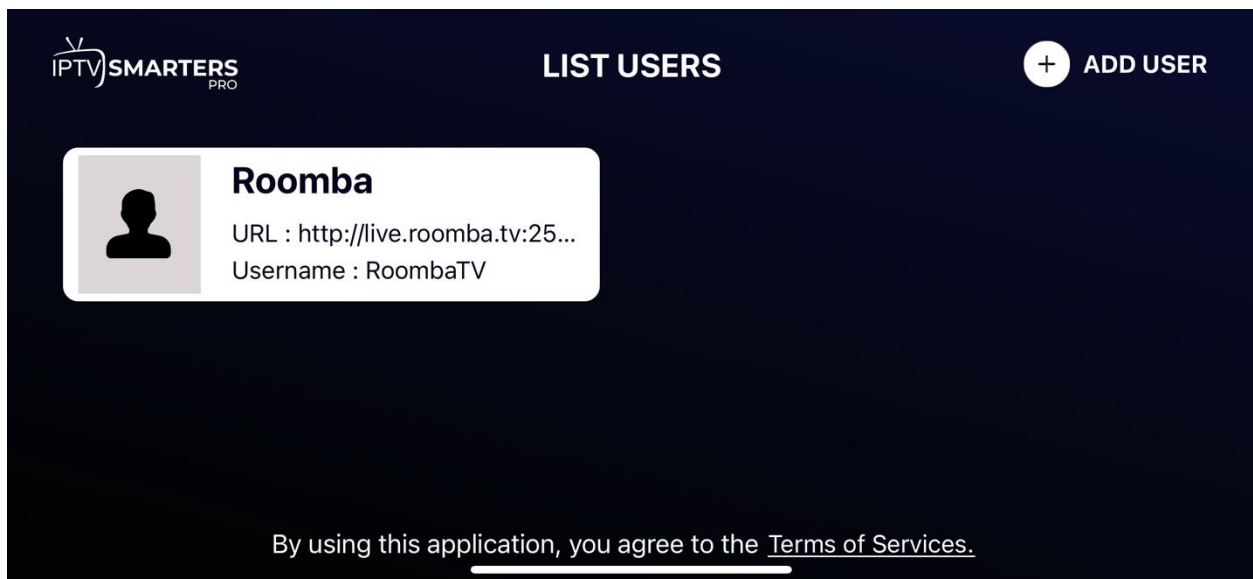

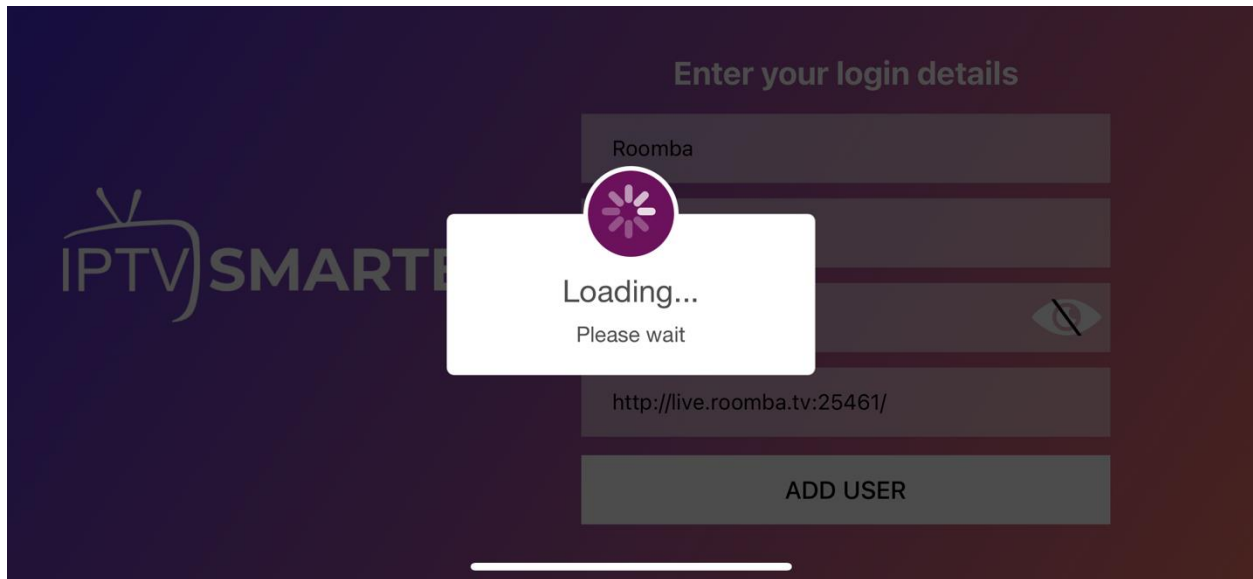

RoombaTV

<http://live.roomba.tv>

ADD USER

After entering your login details, select 'ADD USER'

When it begins to load, it will show 'loading... please wait'. Note that your login is almost complete.

Now you are logged in. Click on the listed user. In this case that would be ROOMBA.

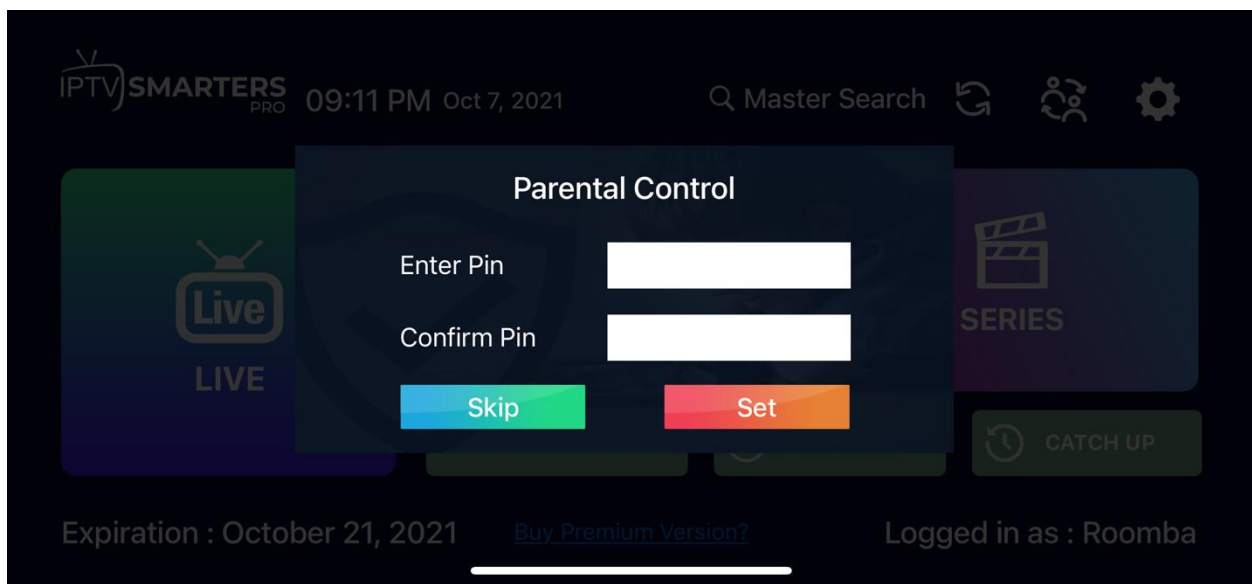

Immediately after login, a white screen appears saying 'Please wait, while we are getting things ready for the first time' and 'Downloading Channels, VOD and Series'.

Please wait, while we are getting things ready for the first time

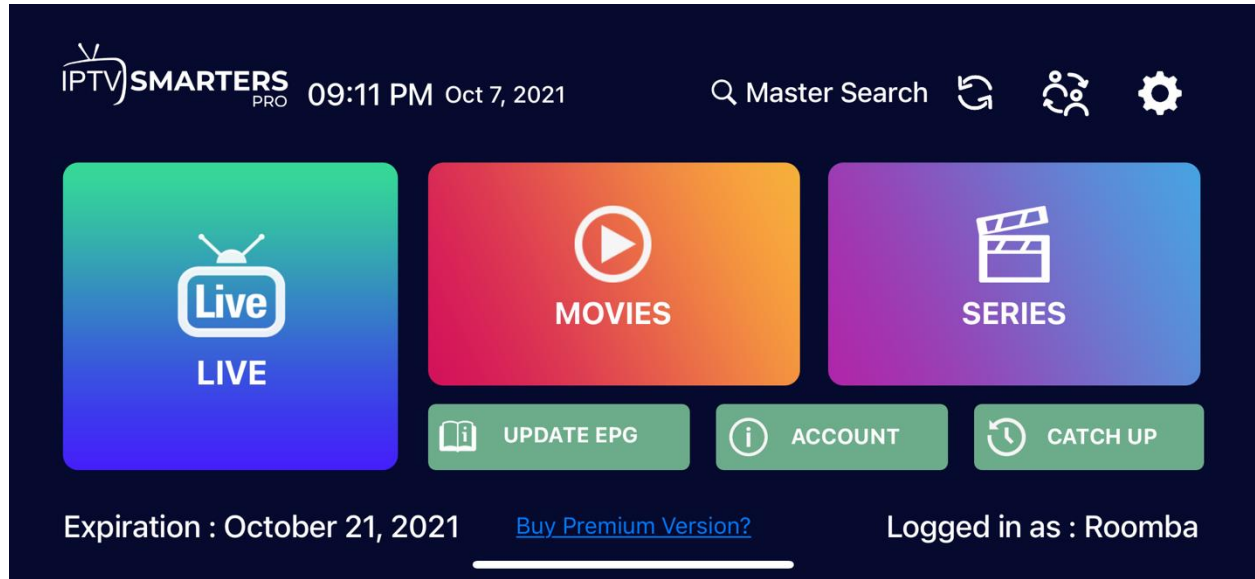

Downloading Channels, VOD and Series

You will be presented with an option for parental control. This feature allows you to set restrictions and control what your kids have access to which could be based either on maturity ratings or age. If you are a parent, go ahead and enjoy this feature by setting a four-digit pin. If not, feel free to skip this option.

Home Screen

Options available for your perusal and entertainment include Live TV, movies, series and so much more.

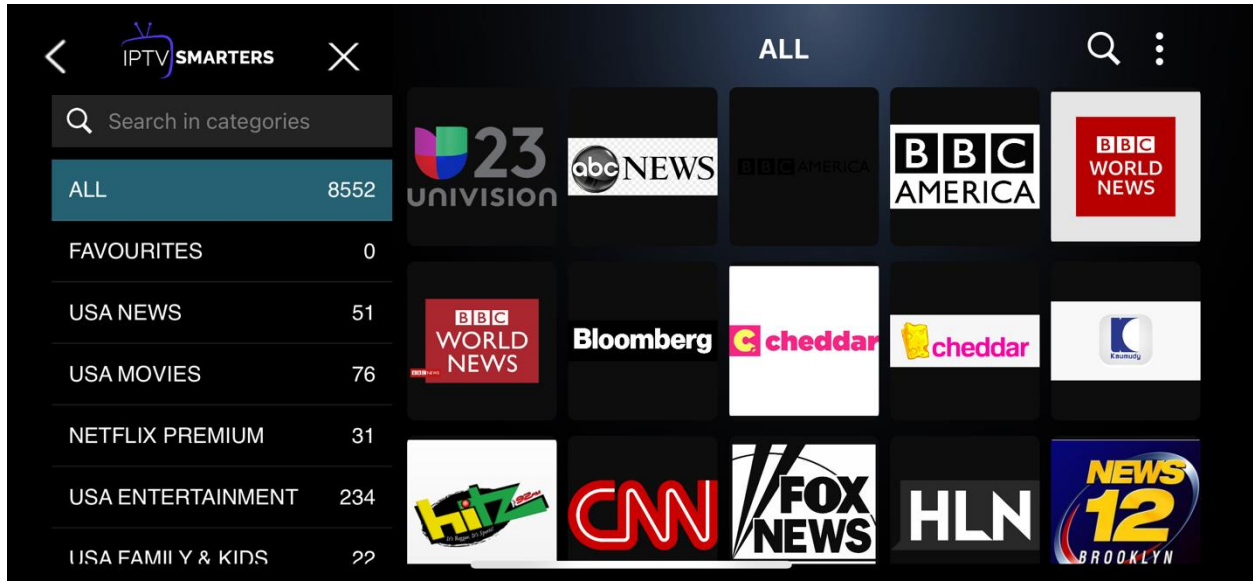

The application consists of the following buttons and information:

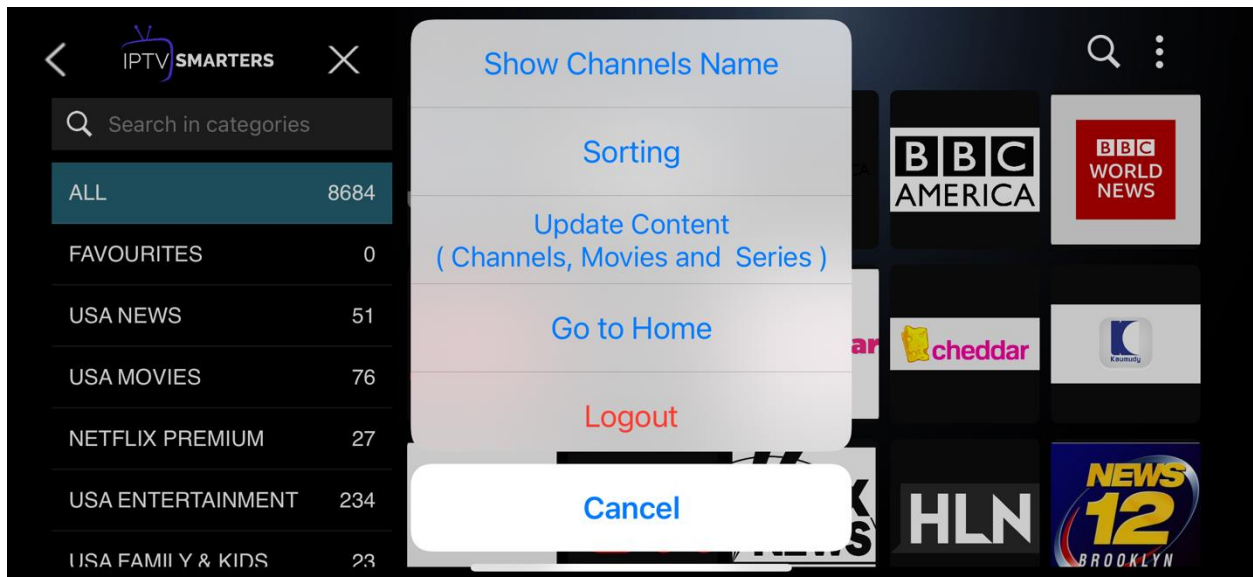

- **Date And Time**
- **Account Info**
- **Settings**
- **Live TV**
- **Movies**
- **Series**
- **Update EPG**
- **Catch up**
- **Master Search**
- **Subscription Expiration**

Movies

Roomba TV users can select from and stream more than 28,000 movies at their fingertips. We have movies available for adults, teenagers, and kids of all ages.

Movie Info

The movie Information section is also available. This option allows you to select a movie, read the plot, watch the trailer, view cast information, and add a movie to your favorites.

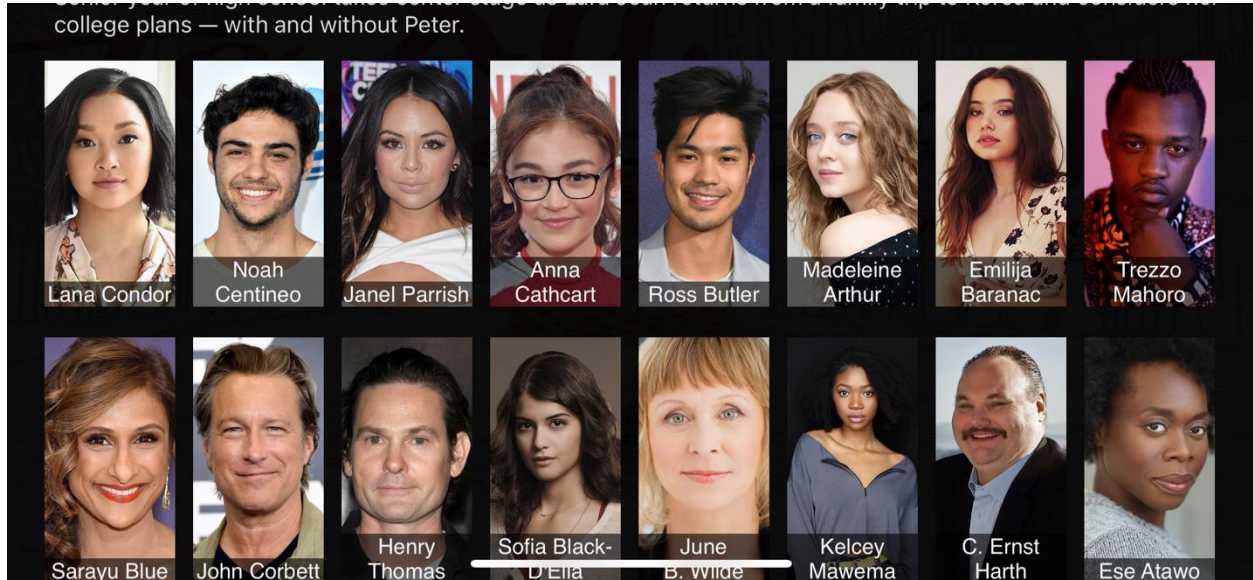

The screenshot shows the movie information page for "To All the Boys: Always and Forever...". At the top left, there is a back arrow and the "IPTV SMARTERS" logo. The movie title "To All the Boys: Always and Forever..." is displayed in white text. Below the title, there is a small poster image of the movie. To the right of the poster, the following information is listed: "Directed by: Michael Fimognari", "Release date: 2021-02-12", "Duration: 01h 55m", "Genre: Comedy, Drama, Romance", and "Cast: Lana Condor, Noah Centineo, Janel Parrish, Anna Cathcart ...Read More". Below the cast list, there are two buttons: "PLAY" and "WATCH TRAILER". To the right of the movie title, there is a white heart icon. Below the poster, there are five yellow stars. At the bottom of the page, there is a short synopsis: "Senior year of high school takes center stage as Lara Jean returns from a family trip to Korea and considers her college plans — with and without Peter."

To watch the trailer, Click on WATCH TRAILER

Cast Information: Scroll down to see the names and pictures of the cast of the movie of your choice.

Select any cast member to read more information about them. This feature helps you learn more about your favorite movie stars.

< IPTV SMARTERS

Scroll down to see additional pictures of the selected cast member

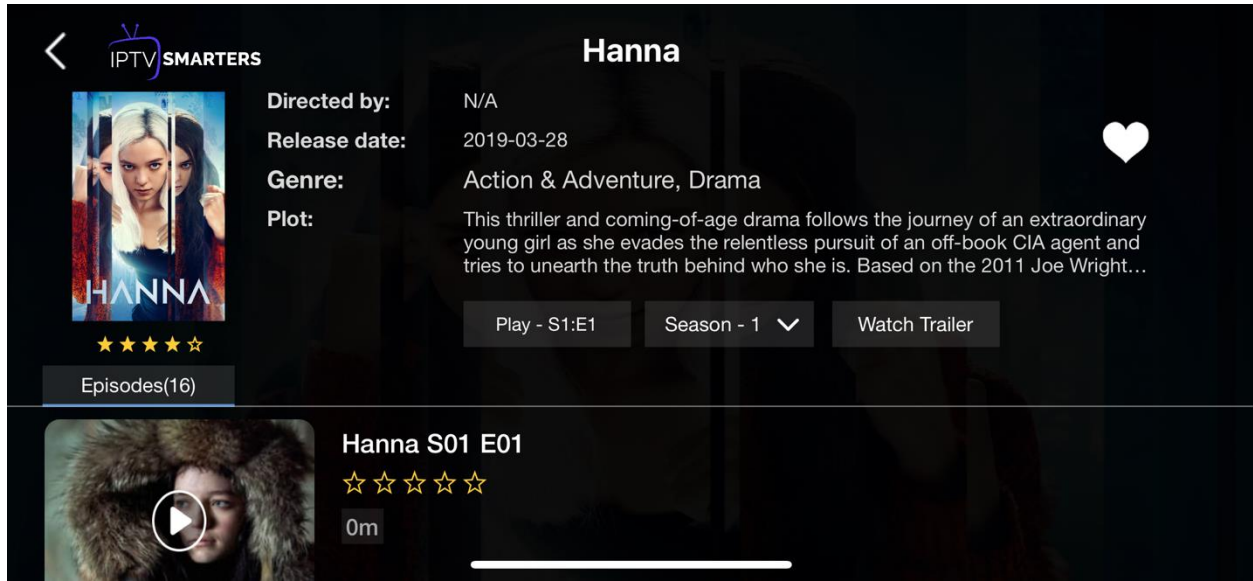

Series

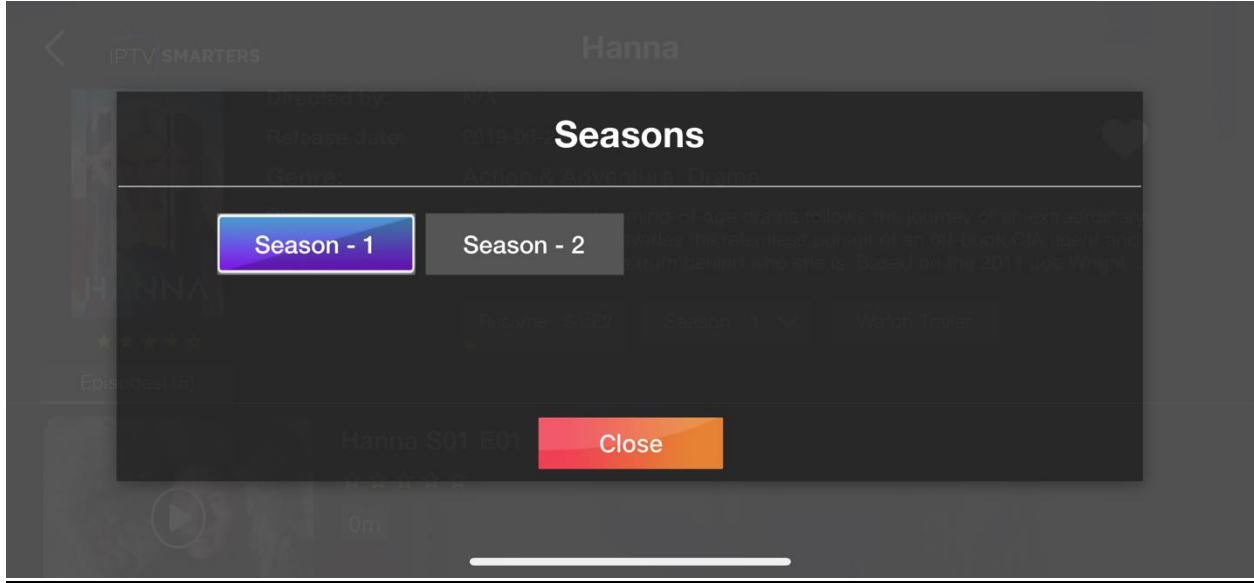

You can also watch your favorite binge-worthy and extremely addictive series and hit comedy specials from across genres such as comedy, drama, action, news, adventure, war and politics, reality shows, crime, animation, and so much more.

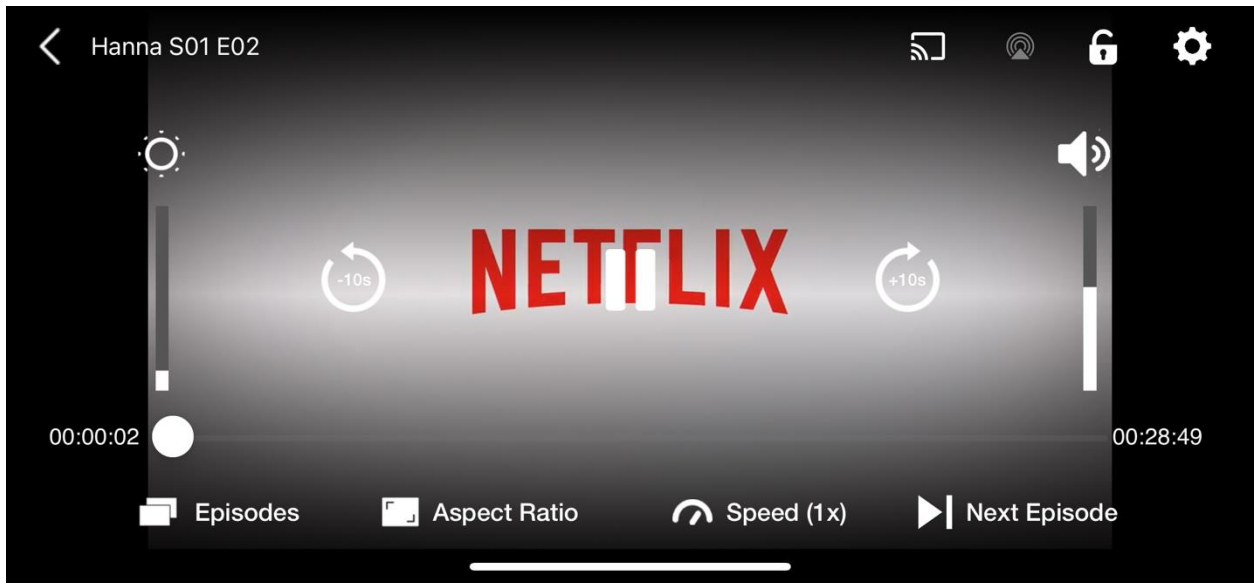

After selecting a series of your choice, you can read the plot, watch the trailer, or go straight to playing the first episode. You can also select any episode of your choice by scrolling down.

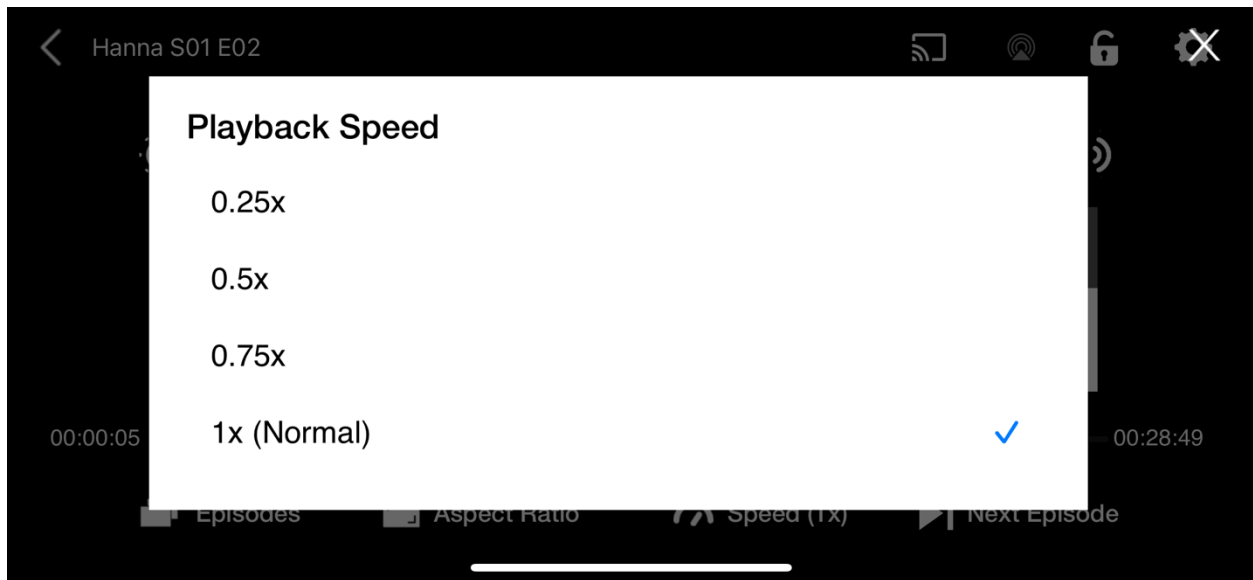

More options like Episodes list, Aspect ratio, speed and next episode are also available. Tap your phone screen to see this

You can watch at any playback speed of your choice

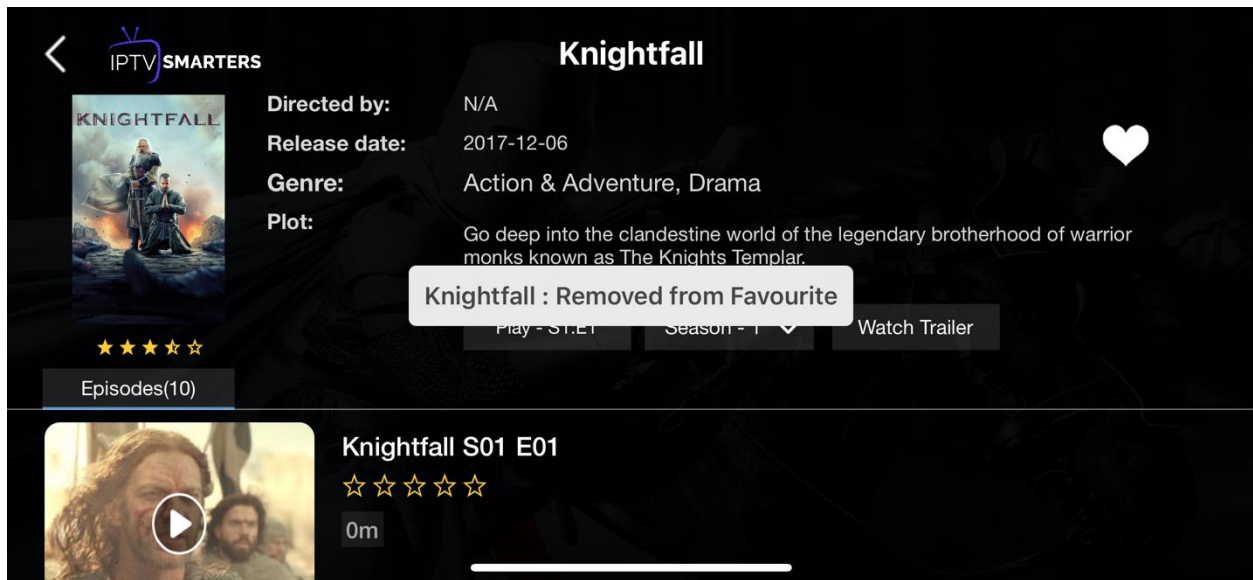

Add to Favorite

1. To add a channel, movie or series to the favorites list, select the channel, movie or series of your choice then click the heart at the right side of the screen. A red heart signifies that it has been added to your favorites list.

To remove a movie, series or channel from your favorite list, tap the heart again. When the heart goes back to white, this indicates that it has been successfully removed from your list.

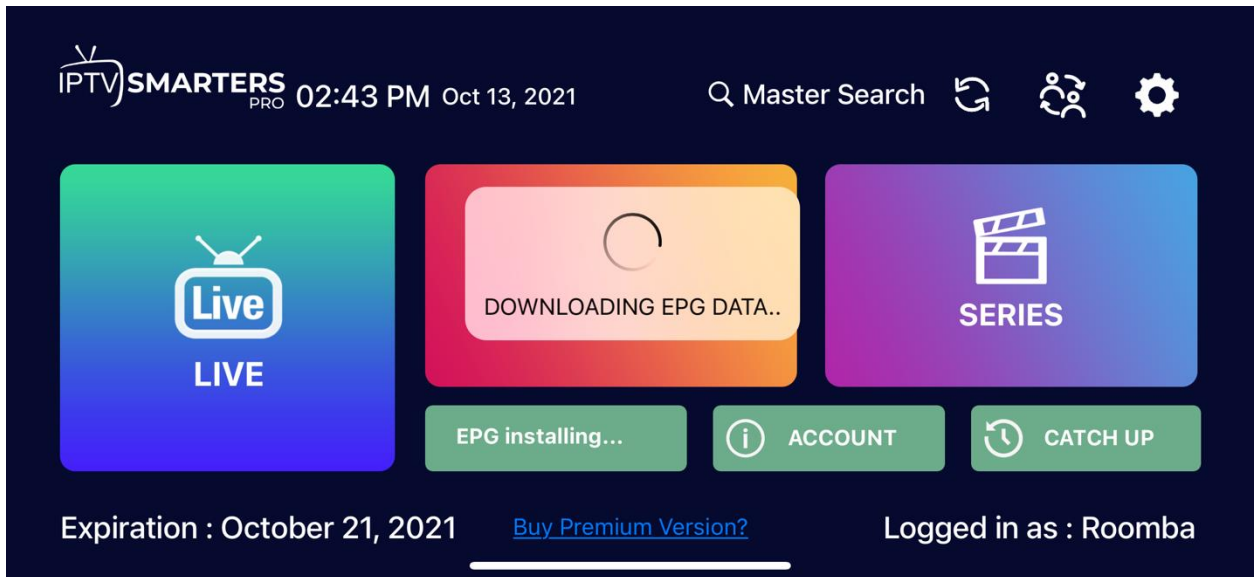

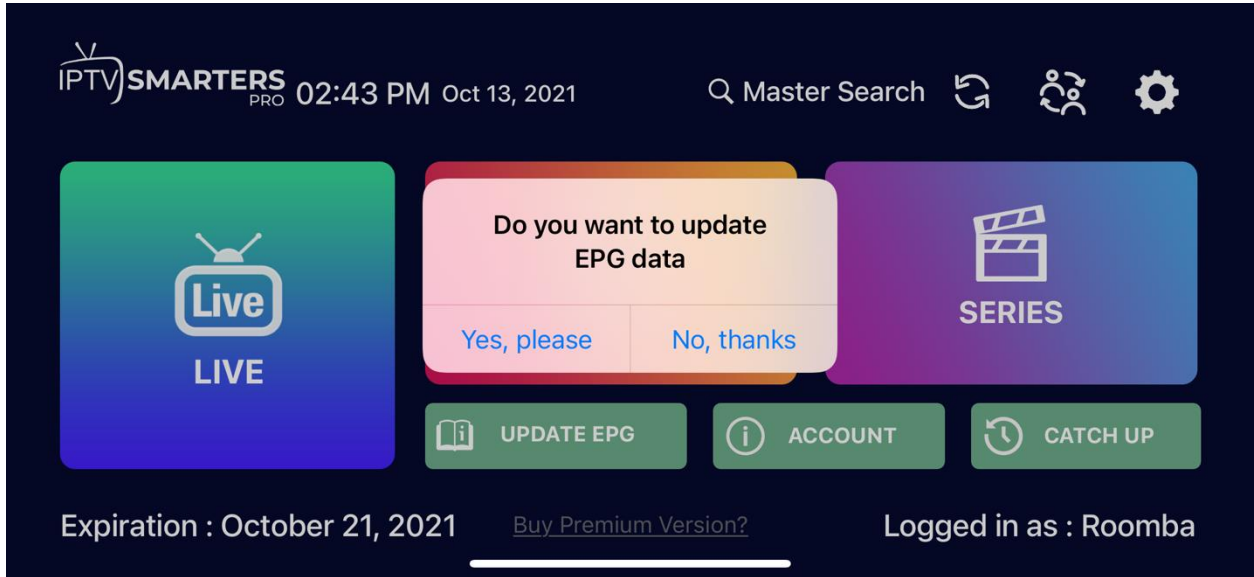

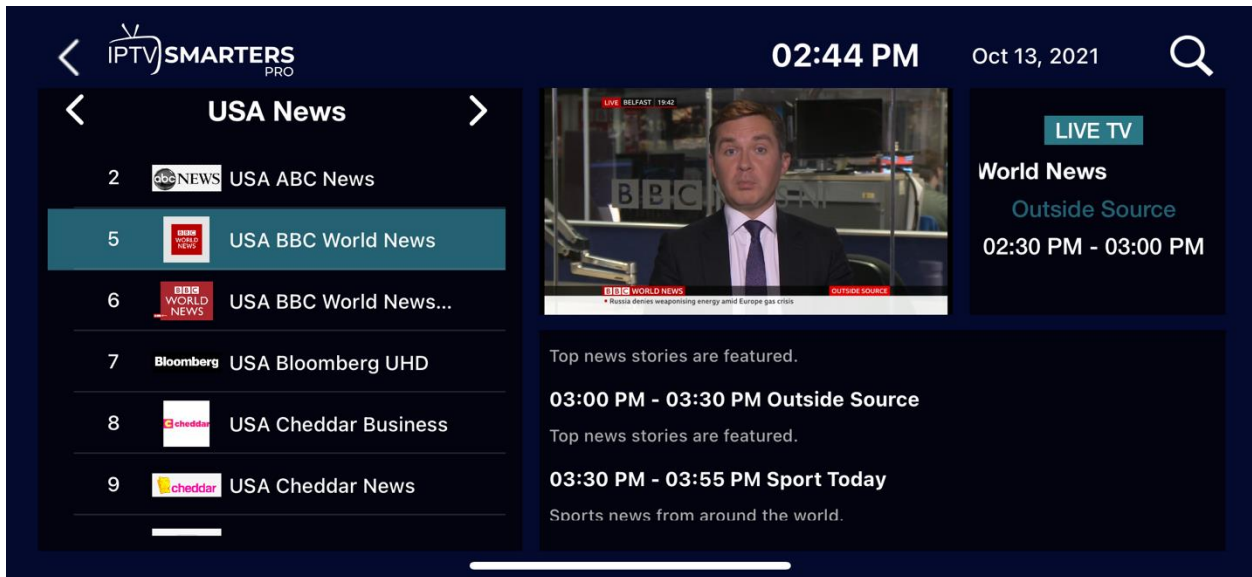

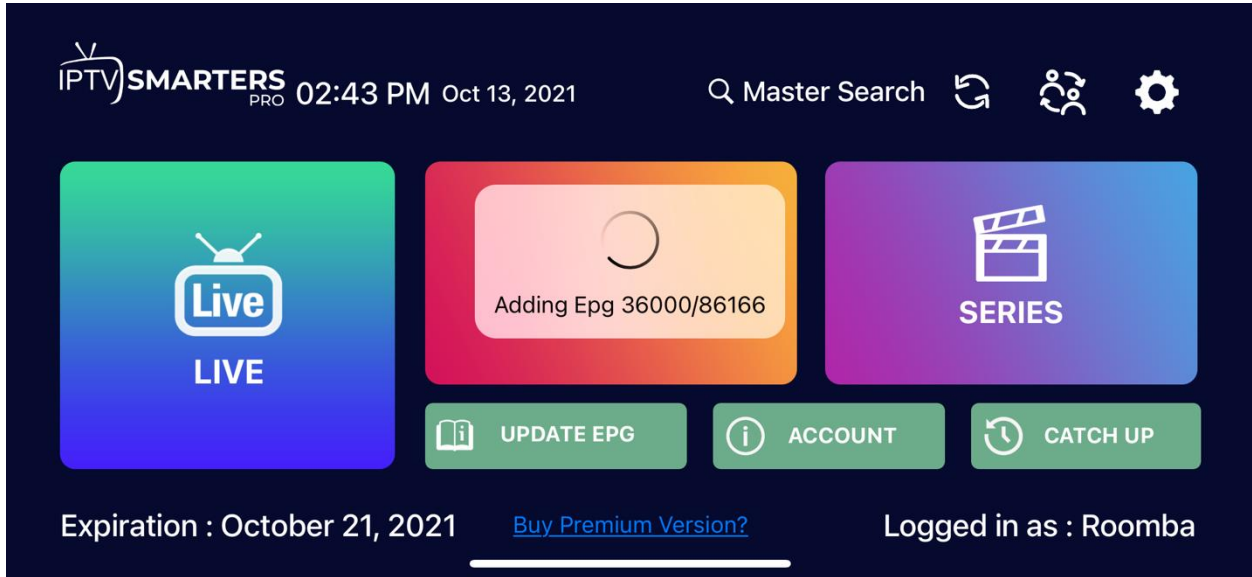

Update EPG (Electronic Program Guide)

If a channel has an EPG available, it will be displayed under the video player. This option enables you to view the scheduling information for past, current, and upcoming TV programs for various channels.

The update EPG option helps you update your program guide.

1. When you click update EPG you will be asked ' do you want to update EPG data', click Yes, please.
2. Then EPG begins downloading
3. After EPG is downloaded it will be added to the respective channels

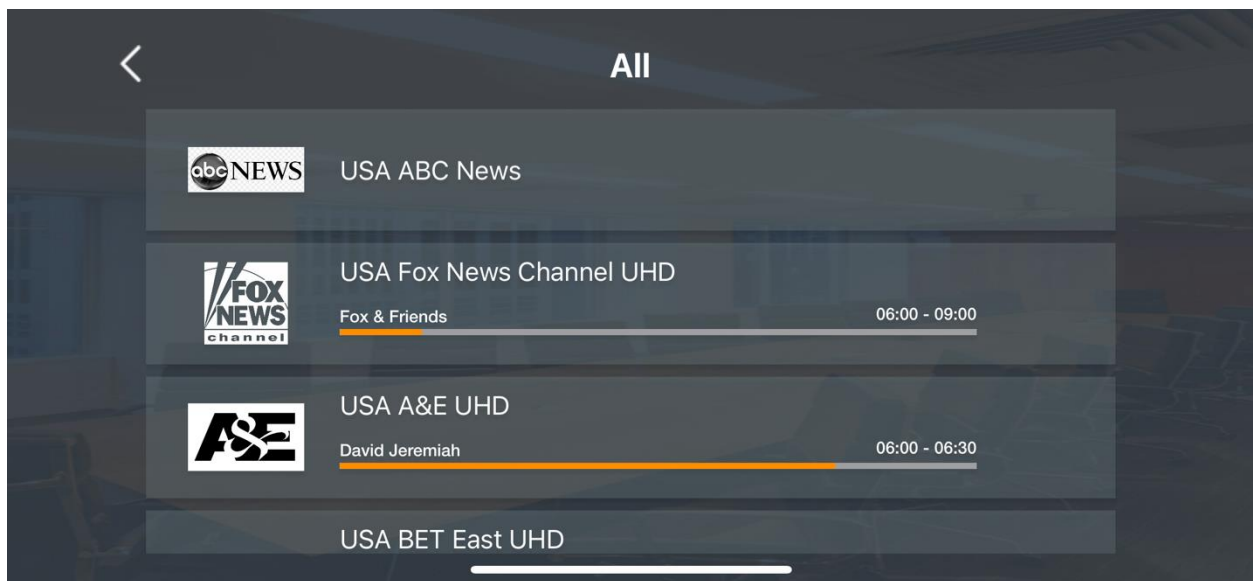

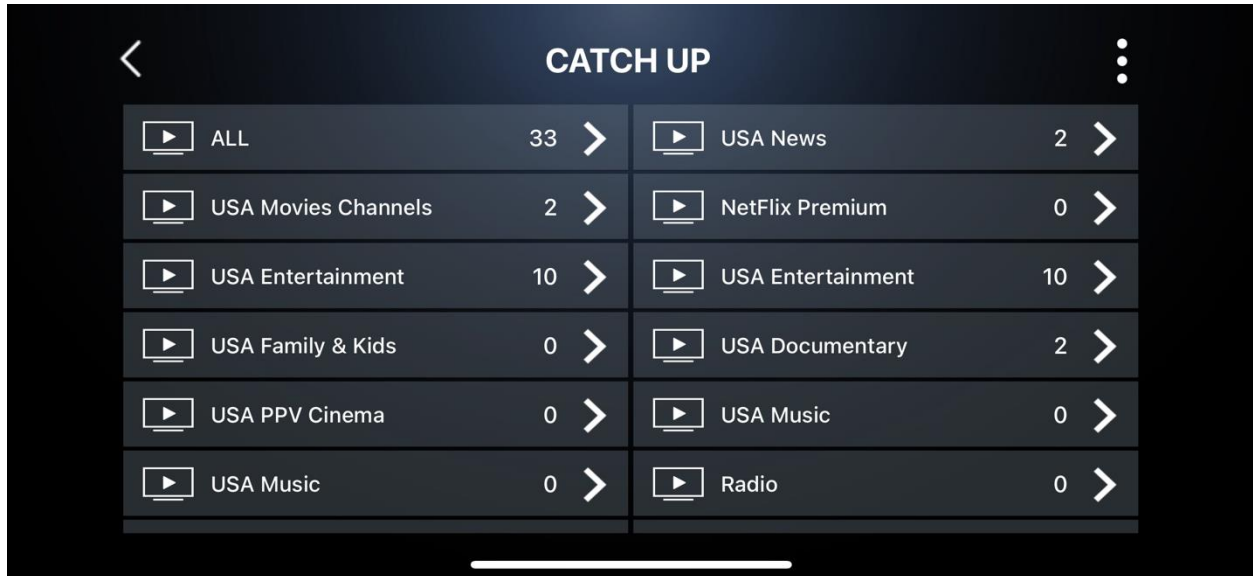

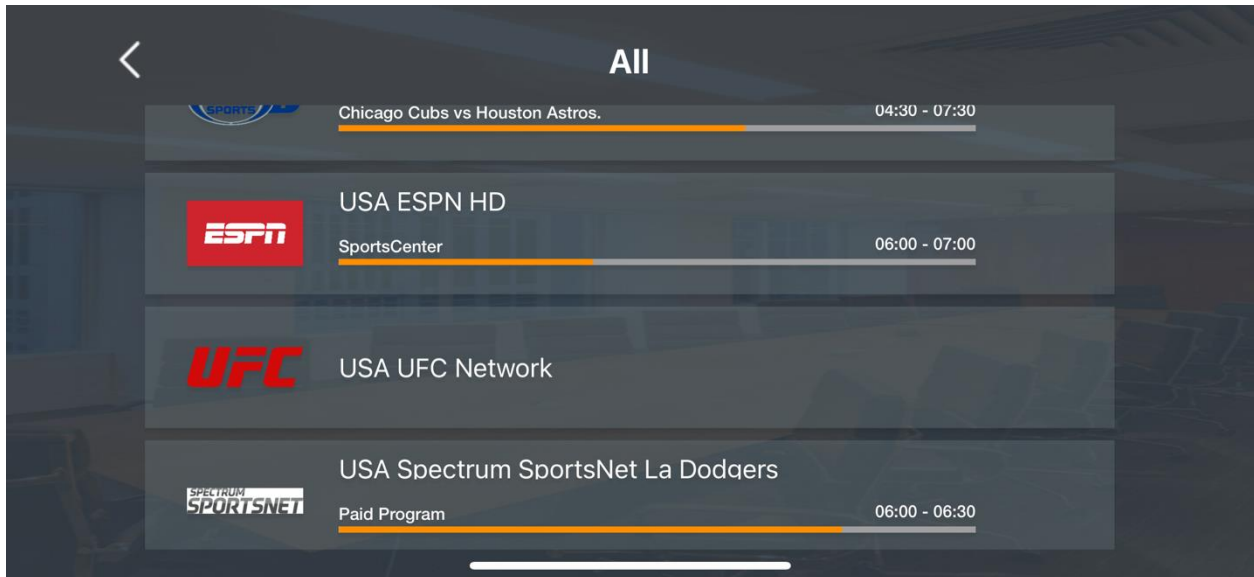

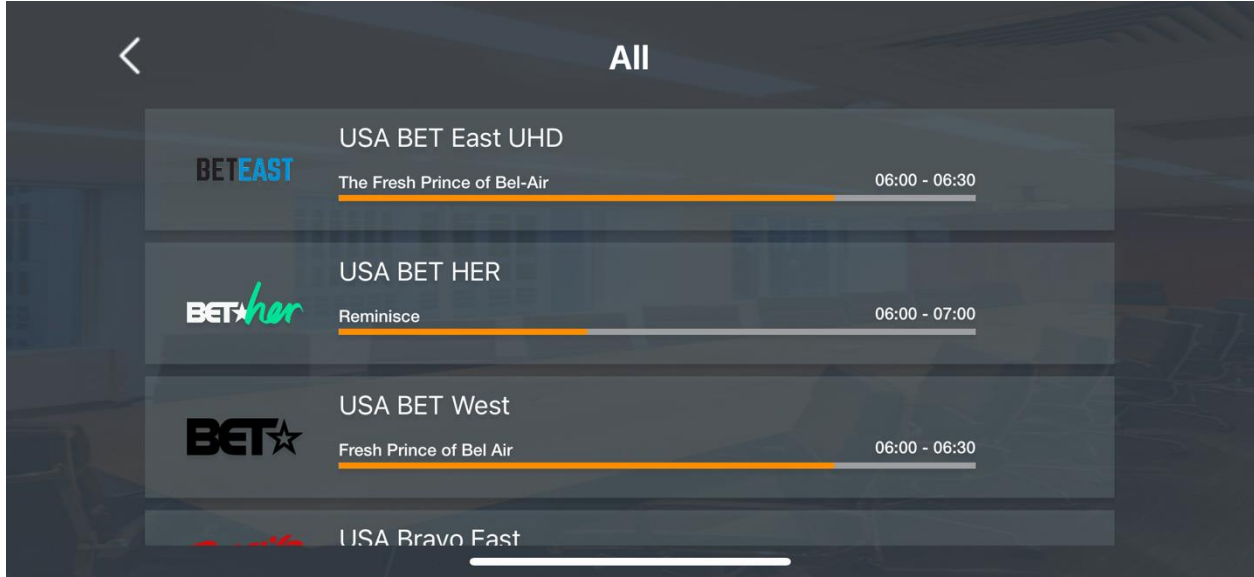

Kindly note that not all channels have an EPG available.

- The EPG (Electronic Program Guide) contains the following information:
 - ❖ Start Time – the start date and time of a program
 - ❖ End Time – the end date and time of a program
 - ❖ Title – the title of a program
 - ❖ Description – the program summary or what the show is all about

Catch Up

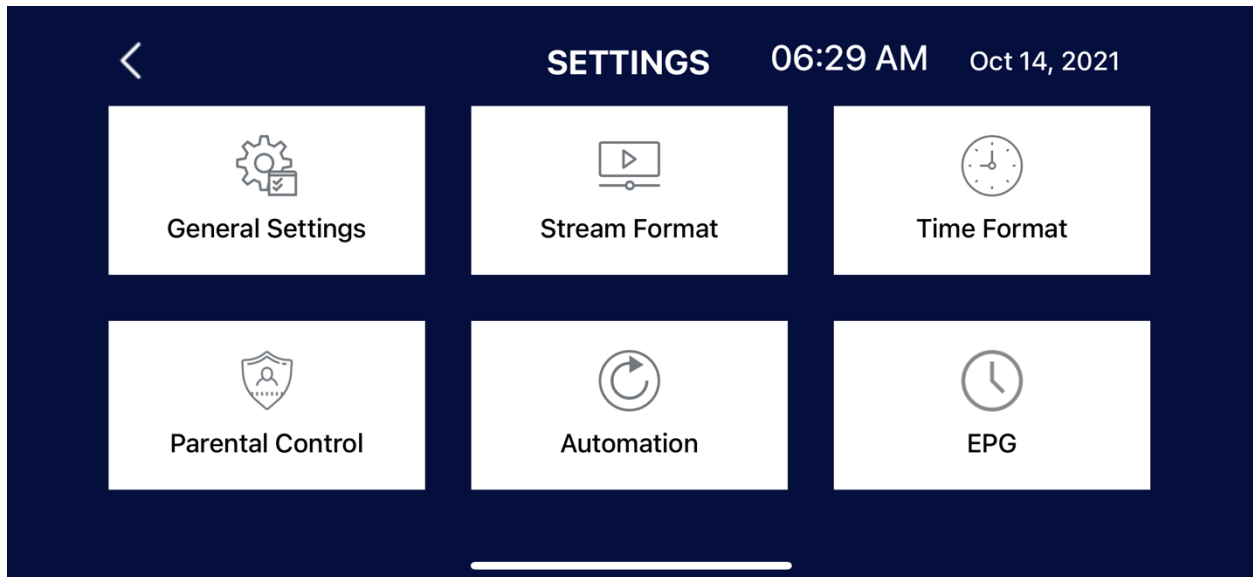

Our catch-up option will ensure you never miss new episodes, live matches, or breaking news again

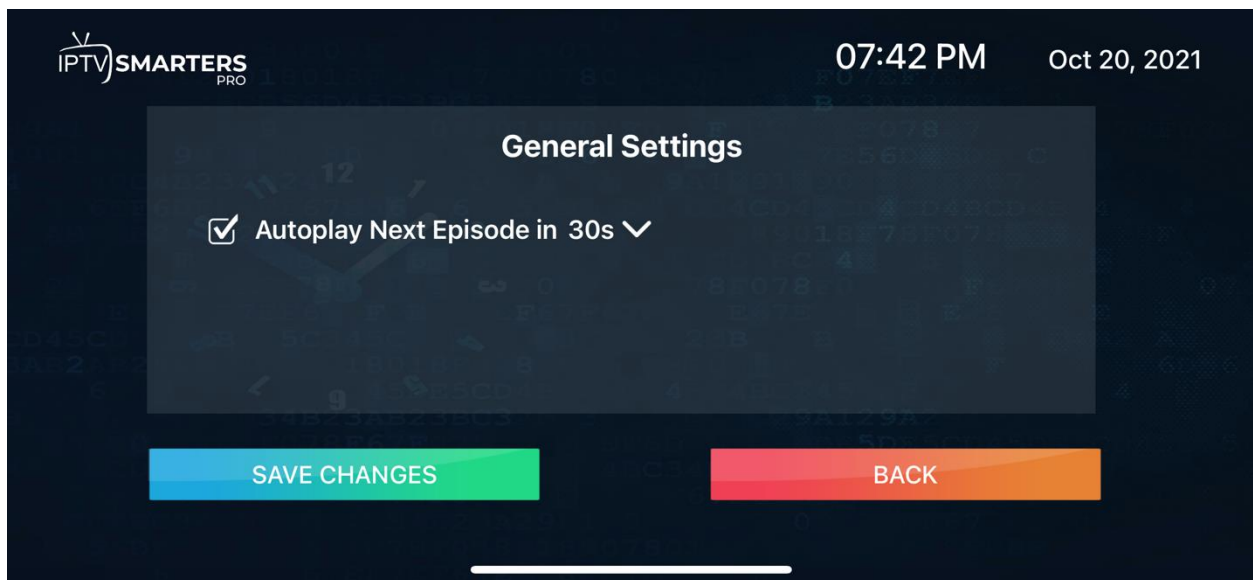

Settings

Here you will be presented with the following settings options: General settings, parental control, stream format, time format, Automation and EPG
