1. About IPTV Smarters application

IPTV Smarters is a popular application used to access and manage IPTV (Internet Protocol Television) services. It is designed for end-users who want to stream live TV, VOD (Video on Demand), series, and TV catch-up on their Android and iOS devices, Smart TVs, and even on computers.

2. Installation

For better streaming quality experience, we highly suggest you use a network connection via Ethernet cable (also known as LAN connection) in connecting your Smart TV to your internet box or router. LAN connection provides:

- A more stable connection
- Higher bandwidth and no latency

NOTE: Depending on your Samsung TV model version the following images may vary.

Step 1: Install IPTV Smarters

1. Turn on your Smart TV, then open the Samsung Smart Hub and click on Apps.

2. Go to the **Search** icon

3. Search for "**IPTV Smarters**". Then, Select the IPTV Smarters app and click on the install button.
